GREAT OBJECT HUNT: MATERIALS

EXPLORING 	Ages 5-7 7-11	Topic MATERIALS	 30 MIN
	Skills used MAKING OBSERVATIONS · COMMUNICATION		

Follow your curiosity and explore amazing objects in our galleries. Use your observation and questioning skills to get thinking about how science and engineering shape our lives.

How many challenges can you complete in 30 minutes?

Top tips for exploring...

- **Find different objects for each challenge**
- **Look up, down and up close and see what you find**
- **Work together as a team and talk about your choices**
- **Write down or draw the different things that you find**
