FOLD 2

Find something...

that would entertain you

that your grandparents
might have used

that makes your life easier

that is bigger than you

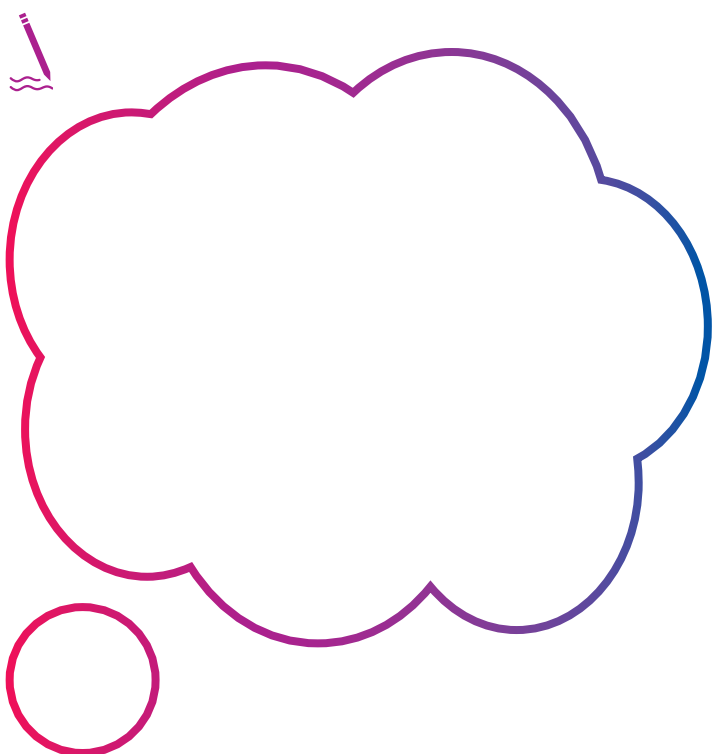

you think would make
an interesting shadow

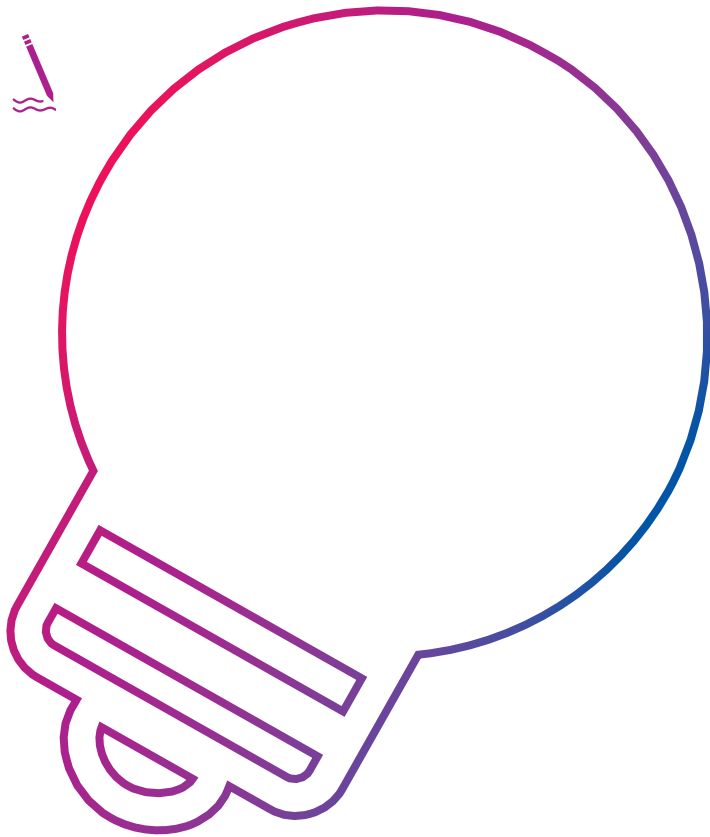

FOLD 1

Can you come up with your
own explorer challenge?

Find something you wish you had invented

Find something...

fun you could take to a party

that begins with your initials

that gives off light

with parts that turn or spin

to take a selfie with – try copying its pose or mime how to use it

Find something...

that makes you happy

that looks really old

you think is the same weight as you

powered by oil, coal or gas

you could make a noise with

How many objects can you find that have numbers on them?
