

Find something...

that would make your journey more enjoyable

that is your favourite colour

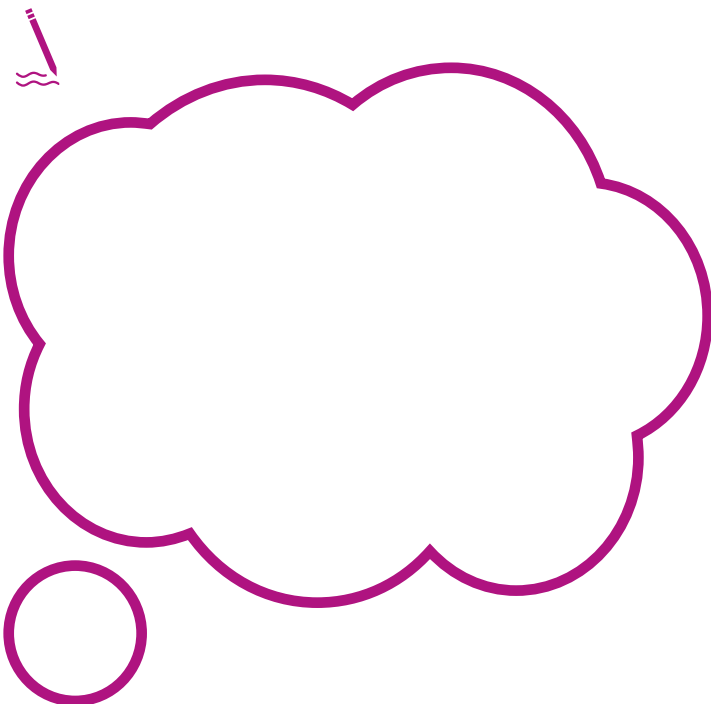

that you think is both beautiful and useful

that would make an interesting shadow

that reminds you of home

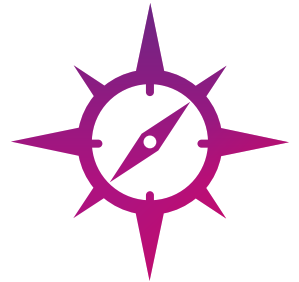

FOLD 1

Can you come up with your own challenge?

FOLD 2

LOCOMOTION

GREAT OBJECT HUNT: EXPLORER

	Topic SCIENCE & TECHNOLOGY	 30 MIN
	Skills used MAKING OBSERVATIONS · COMMUNICATION	

Follow your curiosity and the things that interest you to explore the amazing objects in our galleries. Use your observation and questioning skills to get thinking and talking about how science and engineering shape our lives. See how many challenges you can complete in 30 minutes.

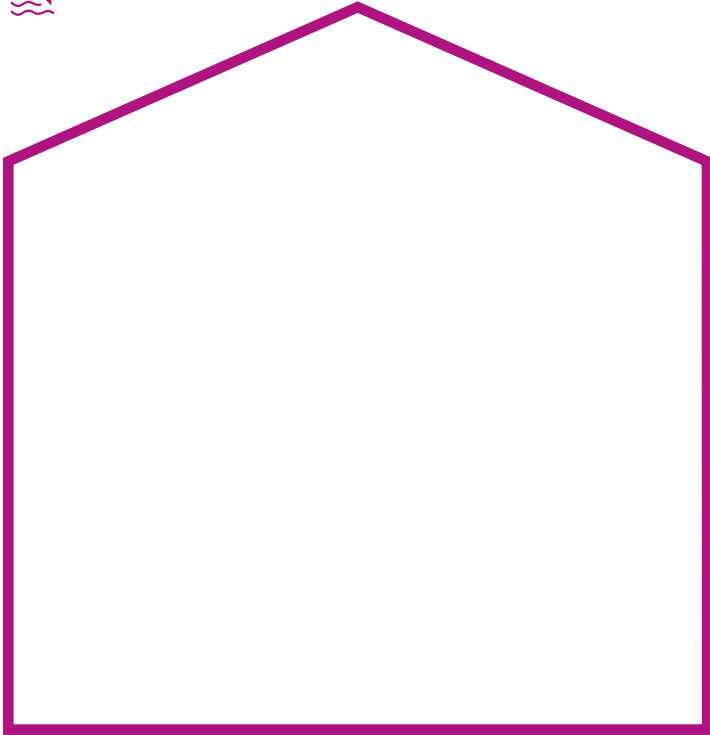

Top tips for exploring...

- Find different objects for each challenge
- Look up, down and up close and see what you find
- Work together as a team and talk about your choices
- Write down or draw the different things that you find

Think of something you own that you would put in the museum. Why did you choose it?

Find something...

that makes you feel happy

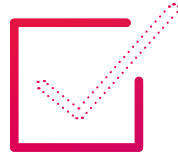

that you think is the largest object in the museum

that you think is the smallest object in the museum

that could hold water

that begins with the first letter of your name

Find something...

that you wish you had invented

that is made from three different materials

streamlined (shaped to cut easily through the air)

that would be useful at night

that you want to know more about

How many different animals can you find?
